How to take cash donations

If you do collect cash in person from sponsors or during a fundraising event, please follow the steps below:

Cash donations from individuals who want a tax receipt

- Print off the sponsorship form on the first page of this document and write down all the amounts and sponsor details. Make sure you have your sponsor's permission to pass these details on to us.
- Bank the cash you have received.
- Go to your online fundraising page and make a donation for each of the amounts you received, using the relevant sponsor's details and your own credit/debit card. Each sponsor will then receive a tax receipt via email. (You can do this a number of times if you need to, as long as the total amount you donate to your page reflects the total of the donations listed)

Note: if someone who wishes to sponsor you does not have an email address to receive their tax receipt, please use your own, print the receipt for them and pass it on.

Cash donations at a fundraising event or from people who do not need a tax receipt

- Print off the sponsorship form on the first page of this document and write down all the amounts and sponsor details.
- Bank the cash you have received.
- Go to your online fundraising page and make a donation for the total amount raised with your own credit/debit card, using 'Cash' as the first name, 'Donation' as the last name, and your own email address so that you get a receipt for the amount you've submitted. Please note that you will not be able to claim tax on a donation that you did not personally make.

Pay in cash using a cheque

- As an alternative to submitting your donations on your online fundraising page, you can choose to send a cheque. Write a cheque for the total amount of cash collected, making it payable to 'Ronald McDonald House Charities Greater Western Sydney.' Post this, along with any cheques written by other people, and your completed offline sponsorship form to:

RMHC Greater Western Sydney

Locked Bag 4001, Westmead NSW 2145

Note: Do not post cash

**The easiest way to get sponsored is through your personal online fundraising page.
Send your fundraising page URL to friends and family via email or share on social media.**
